Big Talk Homework!

Dear Parents,

Today our Big Talk Assembly was all about the Wren's Nest School council, the role of the school council and the issues that we are all talking about this month.

Please spend 10 minutes talking with your child about the assembly. You may want to use the questions below as prompts to help to encourage your child to talk.

Remember we are trying to help all our children develop excellent speaking and listening skills, which will help them with their writing.

Thank you for your support in helping your child.

Mrs Mason

Discuss the role of the school council.

(What does the school council do, how are decisions made, how can you make your opinions known through the school council?)

Why do you think that it is important to have a school council?

(Talk about how the school council is a good way to make your opinions known and to change things that you think need improving around the school?)

When does the school council meet?

(How often and on which day?)

Who is your school council class representative?

(Can you name any other class representatives from different classes and year groups?)

What issues are we talking about this month?

What kind of things can we do to improve the problem of litter around the school?
