To take turns and share with others

At home

Please share your child's book with them. You could talk about ...

- What happened in the book
- Is it a story book or an information book?
- What happens at the beginning, in the middle and at the end
- Did your child like the book or not and why?

Please make a comment in their reading record as we would love to know how you have been getting on at home.

Help your child learn, through talking and sharing their experiences!
