Recognise numbers to 5 and count to 10

Explore all our new resources and classrooms on our own

Move in a variety of ways with confidence

Sing simple songs from memory

To take turns and share with others

#### At home

Please share your child's book with them; you could talk about ...

- What happened in the book,
- If it is a story book or an information book.
- What happens at the beginning, the middle and the end,
- Whether your child liked the book or not and why.

Please make a comment in their reading record as we would love to how you have been getting on at home.

Help your child learn, through talking and sharing their experiences!
