A day to remember!

Our opening day proved to be great fun for everyone and will remain a long lasting memory for all of our children. Local residents and parents cheered and applauded as the children paraded around the estate, looking fantastic in their costumes and pushing the decorated trolleys with glee!

Mrs Lenton and Mr Lacey led the procession riding in style in the beautiful Victorian carriage pulled by two white horses.

A special summer fayre completed the day and it was wonderful to watch everyone enjoying themselves
