

# Wren's Nest School Council

## Newsletter February 2011

## Welcome to the newsletter from the Wren's Nest School Council.

We hope you enjoy reading what we have been up to and find it interesting.

### September 2010

School council asked everyone what their favourite dinners were on the school menu. You gave us your feedback and we have notified the kitchen of your choices and suggestions. Thanks for your comments!

### October 2010

School council write to the Prime Minister (David Cameron) to ask him if he would like to visit. We had a reply to say that as he is so busy he would not be able to but a copy of his letter from 10 Downing Street is displayed on the school council noticeboard!

## November 2010

Class representatives from Y4 to Y6 were fortunate to be asked by Dudley Police to take part in 'Takeover day 2010.' The class representatives went out onto the estate and made suggestions as to where improvements could be made. They also took a Big Talk assembly to tell the whole school about what they found and to ask for volunteers to help be a part of the DY1 'Action team' - children who will help PC Paul Davies during the weekends and holidays to keep the estate clean and tidy.

## December 2010

Congratulations to Bethany Bill (KS2) and Brandon Dixon (KS1) for winning the School Council Christmas card competition. We had nearly 100 entries from across the school, which were judged by Mrs Wylie, Mrs Armitage and Paul Tonks. Well done and thank you to everyone who entered!

## January 2011

On January 6<sup>th</sup> 2011, School Council class representatives took part in a food tasting in the school kitchen. We wanted improve on the salmon product that we already have and we were able to try a new food product. It was agreed that the new product was 1) tastier, 2) looked more like a proper piece of fish and 3) would continue to be a healthy option that we would want to see on the school menu!

A copy of this will also be published on the school council page of the school website
